*Tell My Sons* Lt. Col. Mark Weber, 2012-12-24 NEW YORK TIMES BESTSELLER At the pinnacle of a soaring career in the U.S. Army, Lt. Col. Mark M. Weber was tapped to serve in a high-profile job within the Afghan Parliament as a military advisor. Weeks later, a routine physical revealed stage IV intestinal cancer in the thirty-eight-year-old father of three. Over the next two years he would fight a desperate battle he wasn't trained for, with his wife and boys as his reluctant but willing fighting force. When Weber realized that he was not going to survive this final tour of combat, he began to write a letter to his boys, so that as they grew up without him, they would know what his life-and-death story had taught him—about courage and fear, challenge and comfort, words and actions, pride and humility, seriousness and humor, and viewing life as a never-ending search for new ideas and inspiration. This book is that letter. And it's not just for his sons. It's for everyone who can use the best advice a dying hero has to offer. Weber's stories illustrate that in the end you become what you are through the causes to which you attach yourself—and that you've made your own along the way. Through his example, he teaches how to live an ordinary life in an extraordinary way. Praise for *Tell My Sons* "A gift to us all . . . Every page exudes courage, honesty, and an indomitable spirit. Mark Weber's story has touched me in such a profound way."—Mitch Albom, author of *Tuesdays with Morrie* "Tell My Sons is a deeply moving, personal account of a soldier's journey into an ultimate frontier. As I read Mark Weber's book, I was astonished by its honesty, courage, and discipline. This book offers one of the most profound and detailed descriptions of the strange world of cancer and should be essential reading for all of us who seek to understand that topsy-turvy terrain."—Siddhartha Mukherjee, Pulitzer Prize-winning author of *The Emperor of All Maladies* "Tell My Sons is one of the most profound and inspirational stories I have ever read. It may have been written for Mark's children, but it may as well be a treatise for all of us about honest parenting and leadership with character in love, family, faith, and politics. For a man who is facing profound health issues, Mark is doing a remarkable job showing us all how to live with courage and integrity."—Walter F. Mondale, former vice president of the United States "This book is why I have always been proud to call

Mark Weber my son. His ability to reach across complex boundaries and write and speak with such depth and beauty makes him a modern day Lawrence of Arabia. Mark's passion, attitude, and thoughts about life are what is best about America."—General Babakir S. Zibari, chief of defense, Republic of Iraq "A poignant illustration of what being a hero is all about . . . Heroes exemplify invincible courage, character, and perseverance in times of insurmountable odds. Mark embodies these attributes. Tell My Sons will empower the reader with profound lessons of living life with hope and determination."—John Elway, Pro Football Hall of Fame quarterback

*Making Africa* Vitra Design Museum, 2015 *Making Africa* takes a fresh look at African design. For the first time, we have a book that focuses on creative accomplishments on the continent, without being obsessed with the usual tropes of recycling, humanitarian design or traditional crafts. Instead, »*Making Africa*« shows a new generation of designers who use their work

as a tool for economic, political and social change and therefore also to create a new future for the continent. Their creative output defies all definitions of genres - crossing over classical fields such as furniture design, product design and typography to encompass digital media, art, photography, architecture and film. A large section of the catalogue is dedicated to documenting work by over 120 protagonists of Africa's new creative epoch - including Cyrus Kabiru, Cheick Diallo, Mário Macilau, Francis Kéré, David Adjaye, Kunlé Adeyemi, Bodys Isek Kingelez, Robin Rhode, Alaforu Sikoki, Selly Raby Kan and many more. The historical and theoretical background is explored in essays and discussions with Okwui Enwezor, Koyo Kouoh, Edgar Pieterse and Amelie Klein, among others. These are complemented by statements from around 70 other experts from Africa, who met at interviews and think tanks in cities such as Cape Town, Johannesburg, Lagos, Dakar, Nairobi and Cairo. This is a book about the future of Africa and about a new, more open way of understanding design - which means it is also a book about what design can achieve in the 21st century.

In this carefully researched book, leading Van Gogh scholars provide us with a glimpse into classified client files and illuminate the critical role that the Thannhauser Gallery occupied in cultivating and shaping an early clientele for the artist's works. Founded in Munich in 1909, the Thannhauser Gallery was Germany's preeminent promoter of the avant-garde in the decades before World War II.
