French Rococo Ébénisterie in the J. Paul Getty Museum Gillian Wilson, Arlen Heginbotham, 2021-03-30 The first comprehensive catalogue of the Getty Museum's significant collection of French Rococo ébénisterie furniture. This catalogue focuses on French ébénisterie furniture in the Rococo style dating from 1735 to 1760. These splendid objects directly reflect the tastes of the Museum's founder, J. Paul Getty, who started collecting in this area in 1938 and continued until his death in 1976. The Museum's collection is particularly rich in examples created by the most talented cabinet masters then active in Paris, including Bernard van Risenburgh II (after 1696–ca. 1766), Jacques Dubois (1694–1763), and Jean-François Oeben (1721–1763). Working for members of the French royal family and aristocracy, these craftsmen excelled at producing veneered and marquetryed pieces of furniture (tables, cabinets, and chests of drawers) fashionable for their lavish surfaces, refined gilt-bronze mounts, and elaborate design. These objects were renowned throughout Europe at a time when Paris was considered the capital of good taste. The entry on each work comprises both a curatorial section, with description and commentary, and a conservation report, with construction diagrams. An introduction by Anne-Lise Desmas traces the collection's acquisition history, and two technical essays by Arlen Heginbotham present methodologies and findings on the analysis of gilt-bronze mounts and lacquer. The free online edition of this open-access publication is available at www.getty.edu/publications/rococo/ and includes zoomable, high-resolution photography. Also available are free PDF, EPUB, and Kindle/MOBI downloads of the book, and JPG downloads of the main catalogue images.

My Place at the Table Alexander Lobrano, 2021 In this debut memoir, a James Beard Award-winning writer, whose childhood idea of fine dining was Howard Johnson's, tells how he became one of Paris's most influential food critics. Until Alec Lobrano landed a job in the glamorous Paris office of Women's Wear Daily, his main experience of French cuisine was the occasional supermarket éclair. An interview with the owner of a renowned cheese shop for his first article nearly proves a disaster because he speaks no French. As he goes on to cover celebrities and couturiers and improves his mastery of the

language, he gradually learns what it means to be truly French. He attends a cocktail party with Yves St. Laurent and has dinner with Giorgio Armani. Over a superb lunch, it's his landlady who ultimately provides him with a lasting touchstone for how to judge food: you must understand the intentions of the cook. At the city's brasseries and bistros, he discovers real French cooking. Through a series of vivid encounters with culinary figures from Paul Bocuse to Julia Child to Ruth Reichl, Lobrano hones his palate and finds his voice. Soon the timid boy from Connecticut is at the epicenter of the Parisian dining revolution and the restaurant critic of one of the largest newspapers in the France. A mouthwatering testament to the healing power of food, *My Place at the Table* is a moving coming-of-age story of how a gay man emerges from a wounding childhood, discovers himself, and finds love. Published here for the first time is Lobrano's little black book, an insider's guide to his thirty all-time-favorite Paris restaurants.

Society, Manners and Politics in the United States; Being a Series of Letters on North America Michel Chevalier, 2022-10-27

She Said Jodi Kantor, Megan Twohey, 2020-06-30 Now a major motion picture, starring Carey Mulligan and Zoe Kazan An

instant classic of investigative journalism...‘All the President’s Men’ for the Me Too era. — Carlos Lozada, The Washington Post From Pulitzer Prize-winning journalists Jodi Kantor and Megan Twohey, the untold story of their investigation of Harvey Weinstein and its consequences for the #MeToo movement For years, reporters had tried to get to the truth about Harvey Weinstein’s treatment of women. Rumors of wrongdoing had long circulated, and in 2017, when Jodi Kantor and Megan Twohey began their investigation for the New York Times, his name was still synonymous with power. But during months of confidential interviews with actresses, former Weinstein employees, and other sources, many disturbing and long-buried allegations were unearthed, and a web of onerous secret payouts and nondisclosure agreements was revealed. When Kantor and Twohey were finally able to convince sources to go on the record, a dramatic final showdown between Weinstein and the New York Times was set in motion. In the tradition of great investigative journalism, She Said tells a thrilling story about the power of truth and reveals the inspiring and affecting journeys of the women who spoke up—for the sake of other women, for future generations, and for themselves.

The Cubs Way Tom Verducci, 2017-03-28 The New York Times Bestseller With inside access and reporting, Sports Illustrated senior baseball writer and FOX Sports analyst Tom Verducci reveals how Theo Epstein and Joe Maddon built, led, and inspired the Chicago Cubs team that broke the longest championship drought in sports, chronicling their epic journey to become World Series champions. It took 108 years, but it really happened. The Chicago Cubs are once again World Series champions. How did a team composed of unknown, young players and supposedly washed-up veterans come together to break the Curse of the Billy Goat? Tom Verducci, twice named National Sportswriter of the Year and co-writer of The Yankee Years with Joe Torre, will have full access to team president Theo Epstein, manager Joe Maddon, and the players to tell the story of the Cubs' transformation from perennial underachievers to the best team in baseball. Beginning with Epstein's first year with the team in 2011, Verducci will show how Epstein went beyond Moneyball thinking to turn around the franchise. Leading the organization with a manual called The Cubs Way, he focused on the mental side of the game as much as the physical, emphasizing chemistry as well as statistics. To accomplish his goal, Epstein needed manager Joe Maddon, an eccentric innovator, as his counterweight on the Cubs' bench. A man who encourages themed road trips and late-arrival game days to loosen up his team, Maddon mixed New Age thinking with Old School leadership to help his players find their edge. The Cubs Way takes readers behind the scenes, chronicling how key players like Rizzo, Russell, Lester, and Arrieta were deftly brought into the organization by Epstein and coached by Maddon to outperform expectations. Together, Epstein and Maddon proved that clubhouse culture is as important as on-base-percentage, and that intangible components like personality, vibe, and positive energy are necessary for a team to perform to their fullest potential. Verducci chronicles the playoff run that culminated in an instant classic Game Seven. He takes a broader look at the history of baseball in Chicago and the almost supernatural element to the team's repeated losses that kept fans suffering, but also served to strengthen their

loyalty. The Cubs Way is a celebration of an iconic team and its journey to a World Championship that fans and readers will cherish for years to come.

Time Tamed Nicholas Foulkes, 2019-10-31 'Downright fascinating...indispensable reading' Daily Telegraph 'Nicholas Foulkes' excellent...book is beautifully illustrated. Captivating' Daily Mail For more than 25,000 years, humanity has sought to understand and measure the passing of time, in the process creating some of the most remarkable and beautiful timepieces. Now, in Nicholas Foulkes' lavishly illustrated book, the battle to tame time is brought vividly to life. From the baboon bone dating back to the palaeolithic era that marked the lunar cycle and on to the 3500-year-old water clock at Karnak, from our earliest days mankind has sought to track the passing of time. More recently, the struggles to measure longitude and to create a workable train timetable across the vast, open expanse of the United States have inspired new developments. In Time Tamed, Nicholas Foulkes reveals how we have done this by focusing on some of the most significant developments in timekeeping across the ages. He also highlights the most stunning and lavish clocks and watches in history - from Big Ben to Rolex - for telling the time has never been purely about function, but also about design. The book is filled with remarkable tales, from the 14th century monk in St Albans who created one of the first mechanical clocks to the Holy Roman Emperor who built a clock into an automated ship that fired a cannon to summon guests to dinner. More recently, there was the Surrey woman who used a Napoleonic era watch to 'deliver' the accurate time to London shopkeepers in the wartime era of Churchill, or the Swiss denture maker who solved a tricky problem for the Indian Raj's polo players. Time Tamed is a book you'll want to spend many hours enjoying.

Last of the Dandies Nick Foulkes, 2014-02-04 From his first appearance in London in 1821 until his death in Paris in 1852, Count D'Orsay dominated and scandalized the whole of European society. For three decades he was the ultimate arbiter in matters of taste, style and fashion -- what D'Orsay wore today, society would wear tomorrow. He also enthralled Society with the thirty-year soap opera of his relationship with Lady Blessington, whose daughter he married and with whose husband he was suspected of having had an affair. Bisexual, flamboyant and outrageous, D'Orsay was said to have ruined the cream of British aristocracy. He toured Europe on an enormous spending spree; paid homage to a dying Lord Byron in Italy, set up a racing course in Notting Hill and a gambling den in St James's. Nick Foulkes' Last of the Dandies is a vivid biography of an astonishingly flamboyant figure and a dazzling portrait of an era.
